Thanks for getting back to me, Mark. This process sounds fine. Let me check with my team with regard to the timing of the next meeting.

Best regards,

Andrew

Mr. Otis:

Thank you for your email.

Rather than holding call today I would like to propose meeting the week after next once EPA's contractor has finished reviewing the changes to the RI/FS work plan next week. I will get back to you later this week on the letter of credit and any outstanding issues with respect to the proposed AOC.

Here are a couple of proposed dates/times:

Monday, Nov. 16, Noon-1PM EST or 2:30-3:30PM EST

Wednesday, Nov. 18 (any time after 11AM EST)

Thank you.

Mark

Hi Mark,

We had a follow up call tentatively scheduled for Wednesday November 4 at 2:00 pm. I just wanted to check in with you to see if you wanted to have this call. We would look forward to EPA's feedback on the draft LOC, any thoughts about CFAC's changes to the RI/FS work plan and any feedback on CFAC's proposal regarding past response costs.

Best regards,

Andrew
